SNAPS (Southern Nevada Association of Polio Survivors)

WWW.SNAPSNV.ORG

Dear Reader,

This support group was established to allow people with Polio or PPS (Post-Polio Syndrome) to gather and meet people with similar issues, share knowledge, ideas and resources to assist people with polio through issues that affect their lives.

It is our hope that these efforts empower our members with the tools necessary to make the adjustments needed to continue a life of dignity and independence.

These newsletters help us share knowledge from members and other support groups.

If you have any recommendations on any changes/additional information you would like to see in these Newsletters, please feel free to send them to my email sodensnaps@gmail.com.
